The Bath Ball Tub Filter helps to soften your water naturally (without salt!!) leaving your skin supple and smooth and your hair soft, silky and manageable. The new PowerDisk patented FilterFoam technology, designed exclusively for water filter applications, eliminates dirt, sediment, odors and chlorine that causes dry, itchy, flaky skin, brittle hair, and eye, lung and sinus irritation. In addition, your bathtub will stay cleaner longer because the filter reduces lime scale, mold, and mildew deposits.

- Removes both free and combined chlorines
- Easy to install, hangs from tub spout
- Non-toxic and recyclable filter
